In order to achieve the best possible BEE compliance level and to implement the amended codes effectively, it is imperative for a company's transformation strategy to align with its overall business strategy.

In partnership with Lanham-Love Consulting Pty Ltd (LLC), a well-respected BEE consulting company, Nina and Pinta assists companies in developing an effective strategy for maximum BEE benefit. Part of this engagement involves exploring the company's specific Skills Development requirements in accordance with the BEE scorecard to find the 'best-fit' solution. At Nina and Pinta, we structure and deliver accredited training via a suite of solutions in line with the company's overall transformation strategy for maximum BEE benefit.

We will engage with the company and explore its specific transformation needs to find the "best-fit" solution.
