

# CONSULTING

BRIDGING THE GAP BETWEEN THE BUYING COMMUNITY  
AND THE SUPPLY CHAIN

As a result of Nina and Pinta's experience across each industry sector within travel, we have the knowledge and expertise to provide support in identifying the company's strategic needs and creating a vision with clear direction.

Nina and Pinta's approach to Consulting is based on a Procurement methodology and we understand that in travel and expense, one size does not fit all. With a very flexible approach, we begin each project by making sure we fully understand the business's requirements and tailor our approach and strategy for solution according to the individual needs of the customer.
